TRUSTEES' MEETING

CONTRACTS FOR FIRE APPARATUS AND HOSE ARE AWARDED

The Board of Trustees met in regular session at the City Hall at 7:45 p. m. March 7, 1918. All members present at roll call.

The minutes of the last regular meeting and of the two adjourned meetings, were read and approved.

Trustee Jackson made a motion, which was adopted, rescinding the instructions given at the Adjourned Meeting of the Board of Trustees on March 5th, to the City Manager to advertise for bids on a five or seven passenger automobile; and the Clerk was instructed to advertise two weeks in a weekly newspaper for bids to supply the City with an automobile.

A communication was read from C. J. Wolf in reference to numbering and naming of streets, which was, on motion of Trustee Muhleman, ordered to be filed.

A communication was read from J. M. Banker, which, on motion, was ordered to be filed.

An application was presented from Mrs. Emma Moniot for permission to conduct a dairy, which being approved by the Milk Inspector was, on motion, granted.

An application was presented from Wm. O'Brien for a permit to operate a motor bus, which was referred to the City Manager.

Reports were received from Tax Collector and Building Inspector, which were ordered to be filed, and the monthly report of the City Clerk was presented and referred to the Finance Committee.

A report was presented from the Finance Committee of the City of Glendale jointly with the Finance Committee of the former Board of Trustees of the City of Tropico, reporting having examined the report of the Baskerville Audit Company of the books and accounts of the City of Tropico, finding the same to be true and correct up to the date of consolidation with the City of Glendale, January 9, 1918. Report was received and ordered to be filed.

On motion of Trustee Muhleman, a recess was ordered to be taken to consider bids for supplying the city with fire apparatus and hose—at 11:20 p. m. the Board reconvened.

Trustee Grist made a motion, which was seconded, that the contract for fire apparatus be awarded to the Seagrave Company, resulting in the following roll call:

Ayes: Grist, Jackson.

Noes: Muhleman, Thompson, Woodberry.

Trustee Muhleman made a motion, which was duly seconded, that the contract for fire apparatus be awarded to the American LaFrance Company contingent upon the sale of the bonds, which was adopted on the following roll call:

Ayes: Muhleman, Thompson, Woodberry.

Noes: Grist, Jackson.

On motion of Trustee Grist, it was ordered that the certified checks accompanying bids, be returned to the unsuccessful bidders on fire apparatus.

On motion of Trustee Muhleman, duly seconded, the contract for fire hose contingent upon the sale of the bonds, was awarded as follows:

B. F. Goodrich Company
750 ft. Jupiter Hose at $1.00
Los Angeles Rubber Company
750 ft. Chariot Hose at $1.00
Bowers Rubber Company
500 ft. Guardian Hose at $0.90

On motion of Trustee Muhleman, it was ordered that checks accompanying bids for supplying hose, be returned to the unsuccessful bidders.

On motion, Resolution No. 992, "A Resolution of the Board of Trustees of the City of Glendale calling a special election to be held on the 19th day of March, 1918, in that certain territory contained within the boundaries of proposed municipal improvement district No. 1 of said city, providing for submitting to the qualified electors of said district the proposition of incurring a debt by issuance of bonds of such district for the purpose of acquiring and constructing works for the distribution and supplying of water to the inhabitants of such district, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and other property, and the construction of such bonds for such purpose and for the levying of a tax for payment of such bonds; and establishing election precincts and polling places in said territory and appointing the officers of election for said special election," was taken up for reading.

On motion of Trustee Muhleman, the same upon being read, was adopted.

On motion of Trustee Muhleman, Resolution No. 993, "Resolution of the Board of Trustees of the City of Glendale providing for a general municipal election to be held on Monday, the 8th day of April, 1918, for the purpose of electing certain officers for said city, and giving notice of such election," was taken up for reading. On motion, the same upon being read was adopted.

On motion, the City Clerk was authorized to have bonds printed for the $17,000.00 issue of fire bonds.

On motion of Trustee Jackson, the City Manager was authorized to have a City precinct map prepared.

On motion of Trustee Woodberry, the City Attorney was authorized to take the necessary steps to defend the interests of the City in the action brought against the trustees in reference to the Grand View Annexation District.

GOING UP IN RANK

FOUR GLENDALE SOLDIER BOYS TO GET SPECIAL TRAINING FOR ADVANCED POSITIONS

Four ambitious soldiers boys of Glendale who have made good in their preliminary training in California camps have been given the opportunity to fit themselves for higher positions and are leaving in a day or two to begin special training in the schools provided by the government.

Thursday night Sergeant L. A. Lewis of Company 9, Coast Artillery, blew in from Fort MacArthur with the news that he, Corporal Don Packer and Mechanic Al Moniot, all of this city, and all members of the Coast Artillery Company 9, were leaving for San Francisco to be enlisted in the specialist's school provided by the government, to take training for the following special ratings respectively, Sergeant Major, Master Gunner, and Electric Sergeant. They were to leave last evening (Friday) on the Yale. Owing to the fact that their captain was in quarantine, they had been delayed five days. They will therefore have a week's work to make up. These are all bright, energetic boys who have been favorites in Glendale, and their friends will be delighted with the chance they have secured to obtain promotion. Al Moniot is of Belgian ancestry and knows through the sufferings of his Belgian relatives what Kaiserism means. He is eager to get nearer the front where he can strike direct blows for the brave little country from which his parents came and for democracy in general.

Another Glendale boy who is going up is Frank R. Liddell, Jr., of Battery F, Field Artillery, Regiment 143, who has been transferred to the United States Regular Army, Signal Corps, Aerial Photography. He is leaving for New York Saturday evening to receive special training at the Columbia University. He is at home for two days' leave with his parents at 234 North Kenwood street, where he will be glad to see any friends who call between now and his leaving time. Frank got his initial training in photographic work at the Lasky Studio and was one of the six men chosen at Camp Kearny out of one hundred examined. He is a boy who has a fine record and his many friends here will rejoice in his good fortune, as he is getting into a branch of the service which is considered especially desirable.

LUNCHEON BRIDGE

Mrs. F. B. Gonzales of 112 North Louise street made the chairman and assistants of the Red Cross Knitting Department happy by a donation of $8 returns from a luncheon bridge party which she gave Tuesday to twelve guests, the majority out of town friends whom she knew in other days and who are spending the winter in California. It was a very simple informal affair with no special decorations and no prizes. Mrs. Gonzales was assisted in entertaining by her daughter Louise. Her guest list included Mrs. William Reed, Mrs. Burmeister and Mrs. Job of Los Angeles, Mrs. Ralph Webster of Kalispel, Montana, Mrs. Frank Evans and daughter Louise of Crawfordsville, Ind., Mrs. Joseph Taylor of Delphi, Ind., Mrs. Styles and Mrs. Watts of Glendale.

TOTAL RAINFALL 12.17

The precipitation Friday afternoon and evening was very light, Mr. Bartlett's rain gauge recording .19 of an inch, which added to Thursday's total makes 12.17 inches as the season's total.

ATTENTION

People of Glendale are asked to watch tomorrow's paper for notice of the formal opening of the Intermediate Red Cross Shop, which is at the corner of Maryland and Broadway.

ELEVEN KILLED IN AIR RAID

VIVID AURORA BOREALIS OVER THE NORTH SEA ILLUMINATES ENGLISH COAST FOR GERMAN AIRMEN

(Special Service to Glendale Evening News)

LONDON, March 8.—Eleven persons were killed and forty-six injured in last night's air raid over London, Lord French announced today. He added that he feared six others were still buried in the wreckage. Reports from the coast declared the vivid aurora borealis over the North Sea illuminated the coast and made the raid possible on a moonless night. Two planes in a fleet of seven or eight succeeded in reaching the city, dropping several bombs. Two others, coming up the Thames estuary, turned back, while others crossed Essex, dropping bombs southeast, northeast and north of London. Several houses were demolished.

HOG ISLAND CARPENTERS STRIKE

WORK IN SHIPYARDS TIED UP BY WALKOUT OF EMPLOYES WHO PROTEST NEW SCHEDULE

(Special Service to Glendale Evening News)

PHILADELPHIA, March 8.—Three thousand members of the Philadelphia council of the Brotherhood of Carpenters and Joiners were called out on strike following the posting of a new schedule at the Hog Island shipyards. The new schedule allowed the men only time and a half instead of double time for overtime and enforced Saturday afternoon work. Employes declared all work in the yards would be tied up by tonight.

REPULSE LIQUID FIRE ATTACK

AMERICANS DRIVE OFF GERMAN PATROL OF FORTY MEN NEAR TOULE IN ST. MIHIEL SECTOR

(Special Service to Glendale Evening News)

LONDON, March 8.—American soldiers repulsed a German liquid fire attack on their positions northeast of Toule in the St. Mihiel sector Thursday, according to reports received here today. On the same front American sentries drove off an enemy patrol of 40 men.

URGES SPEED IN WAR WORK

CHIEF OF STAFF MARCH MAKES PLEA FOR HASTE IN SHIPBUILDING AND MANUFACTURE OF BIG GUNS

(Special Service to Glendale Evening News)

WASHINGTON, March 8.—America must speed up shipbuilding so America's army already in France can grow and so the United States and her allies can be supplied.

This was the doctrine Chief of Staff March laid down today to Chairman Hurley of the shipping board and Vance McCormick of the War Trades Board. "We need speed and the fullest effectiveness in war work," he said. "Big guns are a paramount necessity. I believe they are more vital than men for the moment. The present supply problem is pressing."

RUSSIANS DISSATISFIED WITH PEACE

CONSUL SUMMERS OF MOSCOW REPORTS TO STATE DEPARTMENT THAT ANARCHY IS GROWING IN RUSSIA

(Special Service to Glendale Evening News)

WASHINGTON, March 8.—General disapproval of Russo-German peace terms is expressed in Moscow, a State Department message from Consul Summers said. He reported that the anarchistic move is growing stronger. Some people have been killed and wounded by bombs, and one Polish brigade in the Austrian service has deserted and is wandering north of Bessarabia. The soldiers were dissatisfied with the Ukraine peace in its bearing on Poland.

FAVORS ALIEN CONSCRIPTION

FURLOUGHS FOR ARMY MEN TO ASSIST IN FARM WORK ARE PRACTICALLY ASSURED

(Special Service to Glendale Evening News)

WASHINGTON, March 8.—The Senate committee on Military affairs has reported favorably on Senator Fletcher's resolution providing authority for the president to draft certain aliens into the service of the United States.

The bill provides that those aliens may be drafted whose governments have concluded or may conclude a treaty providing for the conscription of their own subjects.

Aliens to be drafted must first be given an opportunity to enlist in the service of their own country.

Furloughs for army men for work on the farms during planting and other busy seasons was also assured when the House approved the measure authorizing the Secretary of War to grant leave of absence to soldiers when the situation demands it.

SPANISH CABINET RESIGNS

(Special Service to Glendale Evening News)

MADRID, March 8.—The Spanish cabinet resigned this afternoon. There were no details received.

SPECIAL INDUCTIONS

MORE MEN ARE SENT TO KELLY'S FIELD AS CHAUFFEURS

Robert Harold Marsh of San Fernando will be sent forward today (Friday) by the local Exemption Board to Kelly's Field, San Antonio, under Call No. 40 for chauffeurs. Two others who applied for induction will go forward March 13th, viz.: Edward Anson Harding of 1261 East Sycamore avenue and Albert Morton Westfield of Lankershim.

The Board has been advised by a telegram from the office of Adjutant General Borree at Sacramento that all voluntary inductions as cooks and chauffeurs must stop at noon March 8th, but that entrainment may be postponed until after the 8th but not later than the 13th, hence the delay in forwarding the two men named above. The Board has also been advised that it must notify General Borree at once of the number of inductions secured.

Those who wish to enter any particular branch of the service should take note of the fact that such selection is possible by making application through the Board to the Adjutant General in Washington. If the acceptance of the local Board and examining physicians is ratified, the Board will receive instructions to send the men forward.

It is expected that the 319th Engineers at Camp Fremont, known as the "Pioneers," will see early service in France. A great variety of mechanical work is offered under enlistment in that corps and it therefore presents an excellent chance to those who wish to select the kind of service to which they are adapted by experience and who are eager to cross the water. Members of the local Board can explain the matter in detail. Voluntary induction is still possible under that call.

"LOYALTY"

The Reading Circle met as usual at the home of Mrs. Charles H. Toll on Kenneth Road, Wednesday from 11 a. m. to 2 p. m. and although the attendance was not as large as usual, twenty-four members and guests braved the stormy weather, some walking a considerable distance to enjoy the session, which proved most interesting.

Loyalty to truth and honor and loyalty to comrades was the general topic of the afternoon and all the selections read by Mrs. Toll bore on that theme. As usual, the reading was followed by general and free discussion of the best means of instilling these principles into the minds and hearts of children and developing loyalty within them. Nearly every woman present participated in the talk.

Two new members were enrolled, viz.: Mesdames Oliver O. Clark and E. S. Young. Present as guests were Miss Helen M. Darcy of Glendale High and Mrs. Fred S. Curtis of Cleveland, Ohio.

JUNIOR AUXILIARY BENEFITS

Junior Red Cross auxiliaries in the "Glendale Gateway" are having help and encouragement from parents and friends. A benefit for the Acacia Auxiliary in the shape of a shirtwaist dance and card party will be given Wednesday, March 13th, at the K. of P. Hall on Brand boulevard, and a benefit for the Cerritos School Auxiliary the following night, March 14th, in the Yeoman Hall on San Fernando road. The program for the affair last named will be furnished by children in the different grades. These affairs are in the interest of the patriotic boys and girls who are doing their bit in the winning of the war, and every parent should patronize them and every household in which there are no children should give double, because they have no small workers to swell the school products.

PUT FORTH BEST EFFORTS

May it be plainly understood that the Evening News as a community newspaper stands ready to co-operate with all projects that are for the advancement of worthy war movements.

These are times that suggest that we should put forth our very best efforts. The young men are doing their part nobly—they are making a great sacrifice compared with those who are remaining at home. We who remain at home can do our part by speaking an encouraging word at the right time.

A million men co-operating will do vastly more than 10,000,000 men will do when not working together.

Do your bit to equip our soldiers. Buy War-Savings Stamps.

RECIPROCITY MEETING

TUESDAY AFTERNOON CLUB TO ENTERTAIN HOST OF VISITING DELEGATES

Before the days of food conservation and war service, the thought of being hostess to one hundred or more guests would have scarcely caused a ripple in the course of events of the Tuesday Afternoon Club. A banquet hall would have been hired and a special committee given carte blanche to provide sumptuously for the "strangers within our gates." Now all is different. Reciprocity Days we should have, for they foster a spirit of good fellowship and furnish a medium of exchange for helpful ideas; but in providing entertainment for those bidden to meet with us on such occasions, our country's needs at this time place upon us the obligation of doing so conservatively.

Conscious and mindful of this supreme obligation, the various members of the local club are working together to extend in a simple, gracious way next Tuesday, March 12th, on Reciprocity Day, at the Masonic Temple, a hospitality in keeping with the spirit of the times, embellishing the frugal meal with a cordial handclasp and a genial smile.

It has been decided that the midday luncheon shall consist of bread and butter sandwiches, fruit salad, cake and a relish of some sort, each member contemplating attendance to furnish sufficient for two—herself and a guest. A committee of four will provide a hot dish of Spanish rice prepared in fireless cookers, and the hospitality committee will see to the serving of tea and coffee, also sugar and cream.

It is desired that members get together in pairs and each group of two bring service for four, as follows: four knives and forks, four spoons, four plates, four cups and luncheon cloth and four napkins, and a small vase for flowers. The club will furnish the tables and the decoration committee will arrange for the flowers.

To prevent confusion and embarrassment to the visitors, members should "take time by the forelock" and be on hand with their supplies at an early hour and have everything in readiness by twelve o'clock.

Owing to the large number expected from out-of-town clubs, club members are requested not to use their individual guest cards on this occasion.

MRS. E. W. KENRICK HONORED

Several social affairs have been given or are in prospect in honor of Mrs. E. W. Kenrick, who will soon leave for San Diego to join her husband, who has been there for the past three months. Wednesday afternoon Mrs. D. B. Pingree of 107 North Jackson street entertained for her, the guest list numbering about twenty-five ladies, though not all were able to be present on account of the stormy weather. The house was beautifully decorated with a profusion of fine "Prince of Orange" marygolds which were greatly admired. The majority of the ladies brought their knitting, and a very pleasant social afternoon was spent. One of the subjects of conversation was a wonderful patented cream whipper which the ladies have found most efficient and a great labor saver. That Mrs. Kenrick might have some useful souvenir of the occasion, the ladies made her a present of one of these kitchen utensils. Delicious refreshments were served, and in all respects it was a delightful occasion which Mrs. Kenrick will always remember with pleasure.

Mrs F. W. Parsons and Mrs. Maud Salisbury will entertain informally for Mrs. Kenrick at the Bertha apartments Saturday afternoon.

LICENSING AGENT FOR EXPLOSIVES

Harry M. Miller, Justice of the Peace in Burbank township, has been appointed by the Department of the Interior Bureau of Mines the licensing agent for explosives in Glendale. He explains that there are six different classes of licenses, viz. manufacturer's license, vendor's license, purchaser's license, foreman's license, exporter's or importer's license and analyst's license. Every doctor or druggist who handler chemicals which enter into explosives as ingredients is required to have a license, the foremen on ranches where explosives are occasionally used and all persons who handle in any way the materials used in the manufacture of explosives, must have licenses. Mr. Miller states that this is one of the dollar jobs which patriots rae asked to fill, in other words that it is an honorary position.

CITY HAS WAR BUDGET

ABERDEEN, Wash., March 8.—"Driveless fund raising" is the novel plan under way here to aid war relief.

To provide funds for the various war relief measures to come during the year, business interests are raising a fund of $75,000. From this, Aberdeen's quota for future money raising campaigns will be appropriated, eliminating soliciting. Only movements endorsed by the State Council of Defense will be aided.

Personals

Mrs. M. R. Ray of 216 Blanche avenue, who has been away for six months visiting friends in Idaho and at Walla Walla, Washington, has just returned.

Paul Hull, who has been acting as clerk at the Spaulding Pharmacy at the corner of Brand and Park avenue, is taking a month's rest. His place will be taken by Eugene Boring.

Charles M. Potter of 321 Everett street has received the commission of lieutenant in the Aviation Section of the Signal Enlisted Reserve Corps at San Antonio, Texas, and is leaving there for Dallas to have charge of some cadets.

Mrs. Suel J. Spaulding of 121 W. Park avenue left Thursday morning for Tulare to witness the production of an operetta at the Tulare High School, which her daughter, Miss Louisiana Spaulding, is directing, and which will be given Friday evening. Mrs. Spaulding will probably remain in Tulare for about a week.

Mr. and Mrs. James M. Wilson of 327½ South Louise street received word today of the safe arrival in France of their son, Joe Wilson, who was at Camp Lewis, Company B, Military Police. The good news came by wire from relatives in Philadelphia. Two other Glendale boys, Hill McGillis and Owen Dibbern, are thought to be in the contingent.

The Philanthropic Section of the Tuesday Afternoon Club met Wednesday afternoon at the home of Mrs. R. M. Brown, 116 North Kenwood avenue, Mrs. Woodberry being the assisting hostess. Thirteen ladies were present, but no ill luck developed. Two quilts were tied, which will be sent to the Maternity Cottage in Los Angeles, and after the work session refreshments were served.

Lawrence Lawson of 1303 Chestnut street, in the Balloon Corps of the Aviation Service, who was sent to Omaha, is still there. He is now a commissioned lieutenant and is serving as instructor. He was sent to San Antonio for about three weeks, but was transferred back to Omaha and is now awaiting orders to go elsewhere, as he has received an intimation that he will soon have to go "somewhere."

BIRTHDAY CELEBRATION

Between 25 and 30 guests gathered last night at the home of Mr. Frank A. Coffin, at 213 South Jackson street, for a very enjoyable birthday party. Pastor Meade McGuire, field secretary for North America of the Young People's Society of Missionary Volunteers, was one of the distinguished persons present. This organization bears much the same relation to the Seventh-day Adventist denomination that the Epworth League does to the Methodists. It is an interesting coincidence that Mr. McGuire's birthday falls upon the same date as that of the host.

Recitations, music and a game of musical cartoons caused the evening to pass pleasantly. Mr. Celian Andross, the master of ceremonies, called upon little Virginia Snyder for the first number, a song, "Keep Smiling as You Go." This was followed by a recitation, "Hans' Baby," interestingly rendered by Miss Violet Bell. "Beulah Land" was sung as a solo by Cathryn Snyder.

Those present greatly enjoyed the violin solos of Miss Susine Wessels and the piano solos of Miss S. Gertrude Champlain. Miss Wessels rendered three numbers, "Thais," by Massenet; "Souvenir," by Drdla; and "Minuet," by Beethoven. Miss Champlain's numbers included "Valse" by Chopin and the "Sextette" from Lucia. The latter number, though most difficult of execution, was rendered with the deftness of artistic skill. The guests also greatly enjoyed two trombone solos by Mr. L. W. Sturdevant, "Rocked in the Cradle of the Deep," and "There's a Long, Long Trail."

Pastors E. E. Andross and B. E. Beddoe were called upon for short speeches, Pastor Beddoe presenting Mr. Coffin with a beautiful leather traveling kit, the gift of his associates. Decorations of the parlor and drawing room consisted of pink and white carnations and ivy geraniums. An immense cake of pink and white upon a table appropriately decorated, harmonized with the general color scheme.

RED CROSS JOTTINGS

Mrs. Eva Tuft, Chairman of the Surgical Dressings Department of the Glendale Red Cross Chapter, desires a sewing machine for the special use of her department, preferably with motor attachment. On account of the shortage of tape a substitute has to be manufactured from long strips of cloth, necessitating a considerable amount of stitching. Any one who is willing to loan a sewing machine for a long or short time is asked to communicate with Mrs. Tuft or with Mrs. Blackburn at Red Cross headquarters, Tel. Gl. 1147.

About half a dozen ladies braved the elements and put in a good day's work in the sewing department of the Red Cross Chapter under Mrs. Ellis on Thursday. Pajamas, bath robes and a variety of odds and ends of work were disposed of in workmanlike fashion. This department does not do much shouting, but it saws wood systematically and is there with the result, full measure to the cord. Hereafter the Department will be open Thursdays at 10 a. m. Tea will be served at noon to the ladies who bring lunch.

Mrs. Ezra Parker and Miss Ainsworth were kept busy giving out yarn Thursday in spite of bad weather. They are pleased with the way patrons are observing the request to bring knitting bags for the yarn they apply for, as it saves the workers the time and trouble of wrapping packages.

The knitting department has a fine new reel for winding yarn which, it is said, was provided by Ezra Parker, who is a sort of fairy godfather around Red Cross headquarters.

Work in the surgical dressings department has gone forward steadily. Wednesday Mrs. W. R. Cleveland was the instructor, the workers under her direction being Mesdames Edgar W. Pack, Marie G. Field, Maude Cunningham, W. J. Stone, J. E. Cummings, W. H. McKee, R. P. Jodon, H. M. Oswald, Archie Parker, Harriet N. Nichols, W. M. Kimball, C. L. Bullard, A. L. Lawshe. Four hundred and four sponges were manufactured on that day.

Thursday, March 7th, when the heavens opened and the floods descended, Mrs. Edgar W. Pack was the instructor and her helpers were Mesdames E. W. Towle, Maude Cunningham, C. L. Bullard, R. C. Cleveland, W. H. Moody, J. F. Lilly, Archie Parker and Ruth M. Taggart. Three hundred and fifty sponges were made.

GOOD THINGS TO EAT

The Red Cross lunch workers who prepared the business lunch on Thursday at the Red Cross Shop, had a hilarious time. It was raining rivers and the business men were so delighted to have a chance to get such a meal as the Red Cross cooks prepare, without having to go home for it, that they all came in smiling and with their mouths watering for a taste of the good things advertised by the good smells in the air. As usual the supplies were exhausted before all patrons were satisfied, and as usual Mrs. Boettner and her associates are begging for more regular donations to maintain at the highest point of efficiency this good little money maker for the Red Cross. The ladies who prepare and serve it are giving their time and skill and often their own supplies to keep it going, and the public is learning to appreciate it to such an extent that there is never any lack of patrons. Indeed, some of the diners sit around to see if anything is going to be left which they can buy and take home. Housewives who can not leave their babies to go to headquarters and sew or make compresses can here find an opportunity to help the organization by doing a little extra cooking, or furnishing a little raw food for these Thursday luncheons. The donations will be called for if the donors will report to Mrs. Jack Boettner, Tel. 839-M. or to Mrs. Blackburn, Tel. 1147.

END OF WORK DRIVE

The work drive which the Tropico Red Cross Auxiliary has been conducting for a month and which ended Thursday, yielded a highly creditable output. The product of the sewers and knitters of the Auxiliary totaled as follows:

25 helmets,
33 sweaters,
34 pairs of socks,
11 ambulance pillows,
31 pairs of bed socks,
22 hospital shirts,
14 pairs of pajamas,
27 handkerchiefs,
36 napkins,
12 convalescent robes,

The Auxiliary has about 100 knitters, and about twenty-five ladies who are sewing for the Red Cross. They could use another sewing machine, so if any one has one to loan or give, it will be very welcome. Mrs. E. V. Bacon is chairman and can be reached by telephoning Glen. 1279-W.

The Junior Red Cross has a membership of about 275 in the Cerritos school and 50 in the Acacia school. Parents and children are uniting to raise money for the junior organization and its prospects for efficient work are good. Salvage collection is going on all the time and it is accumulating at the schools and at the city building at the corner of Brand and Tropico avenue.

FETERITA FLOUR ETC.

Many valuable bits of advice were given by Mrs. Jessica Hazzard in her lecture before the members of the High School P.-T. A. For instance, she cautioned the cooks about making the batters for rice flour breads too thick. On account of the moisture, the batters should be much thinner than if wheat were used, she said.

Concerning the feterita flours which have been named as a wheat substitute, she said since they were not on the market they cannot be generally urged, but she recommended the grain as a delicious food. It is closely related to milo maize. "When you plant your gardens," she said, "plant feterita. You can grind the grain, which grows in a tassel at the top of the stalk, in an old-fashioned coffee mill and have a delicious and nourishing cereal and also use it for coarse breads. It has a very nutty flavor. We have paid more attention to feeding our chickens than we have to the feeding of our families. We are now going to learn what good things the chickens have had.

Buckwheat flour makes delicious bread, and also noodles which are much better than the wheat macaroni. Take a teaspoonful of salt, enough water to make a stiff dough, pat it into a thin cake, cut into strips, let it dry, and when dry enough put away in sacks or boxes and use as you would macaroni or a meat substitute.

"It takes an hour and a half to bake the Victory bread. When you count the amount of fuel you consume, it would be far cheaper to buy the bread from the baker. I think the quick Victory breads are superior to the yeast Victory bread.

"If you will visit the Japanese stores you will find there a superior quality of Buckwheat flour, almost as white as wheat flour.

HELP THE FARMERS

Just for the moment, suppose we strip the farm-labor problem of every patriotic consideration and merely to emphasize a point look at it, individually as cities, from an absolutely selfish standpoint.

We know the world need of food, brought about by the war. It is unnecessary to recapitulate that situation. And the farmers are planting and will plant the necessary acreage increases of food crops. But these crops must be cultivated and harvested, and many thousands of farm laborers are required for the work. There is a shortage of farm labor. The factors causing that condition are also understood; cessation for three years of the European immigration which formerly gave us an army of new labor each year, the attraction to thousands of farm workers of higher wages in munitions plants and other war industries, and the response of farm workers to the call of the colors. But, notwithstanding the shortage of farm labor, the nation contains an abundant supply of man power of farm experience and adaptability. It is a question of getting that potential farm labor applied to the farms when and where the need is greatest.

The farm-labor problem is difficult—one of the most difficult of our war-agricultural problems—and yet there is a ready remedy at hand, a measure possible in every section, and one that will solve the local problem in most sections. It is simple enough if you will just do it. You can solve it—you, member of half a dozen boards of directors or president of the civil league or leading spirit in the chamber of commerce. You, who persisted in the new union depot project until the dream was realized, or organized the movement that cleaned up your city politically, or put over a bond issue for a boulevard system, or headed the Red Cross or liberty loan campaign, or worked to get a Federal Reserve bank established in your city or a new railroad built there. You are a man who does things. You can do much in solving the farm-labor problem. You will do it for patriotic reasons entirely, because you know we can't win the war without food. But, also, it is to your individual interest to do it—for to the extent your section doesn't produce its food this year, to just that extent your section may be short of food to eat.

CLEAN STREETS

are desired by all. They are necessary to the health and beautification of the City. They

RESOLUTION 992

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE CALLING A SPECIAL ELECTION TO BE HELD ON THE 19TH DAY OF MARCH, 1918, IN THAT CERTAIN TERRITORY CONTAINED WITHIN THE BOUNDARIES OF PROPOSED MUNICIPAL IMPROVEMENT DISTRICT NO. 1 OF SAID CITY, PROVIDING FOR SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT THE PROPOSITION OF INCURRING A DEBT BY ISSUANCE OF BONDS OF SUCH DISTRICT FOR THE PURPOSE OF ACQUIRING AND CONSTRUCTING WORKS FOR THE DISTRIBUTION AND SUPPLYING OF WATER TO THE INHABITANTS OF SUCH DISTRICT, INCLUDING THE ACQUISITION OF LANDS, WATERS, WATER RIGHTS, EASEMENTS, RIGHTS OF WAY, STRUCTURES, PIPES, PIPE LINES, APPARATUS AND OTHER PROPERTY, AND THE CONSTRUCTION OF MAINS, CONDUITS AND OTHER WORKS NECESSARY FOR SUCH PURPOSE; PROVIDING FOR THE ISSUANCE AND SALE OF SUCH BONDS FOR SUCH PURPOSE AND FOR THE LEVYING OF A TAX FOR PAYMENT OF SUCH BONDS; AND ESTABLISHING ELECTION PRECINCTS AND POLLING PLACES IN SAID TERRITORY AND APPOINTING THE OFFICERS OF ELECTION FOR SAID SPECIAL ELECTION.

Whereas, on the 4th day of February, 1918, a petition was filed in the office of the City Clerk of the City of Glendale and ex-officio clerk of the legislative body of said city, to-wit: the Board of Trustees of said City, requesting that proceedings be taken under the provisions of an act of the Legislature of the State of California entitled, "An act to Provide for the Formation of Districts within Municipalities for the Acquisition or Construction of Public Improvements, Works and Public Utilities Therein; for the Issuance, Sale and Payment of Bonds of such Districts to Meet the Cost of Such Improvements, and for the Acquisition or Construction of such Improvements," approved April 20th, 1915, for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such district, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus, and other property and the construction of mains, conduits and other works necessary for said purpose, and said petition was signed by not less than ten (10%) per cent of the qualified electors of the territory so proposed to be formed into said Municipal Improvement District No. 1; and

Whereas, in pursuance of said petition and of the act of June 20th, 1915, the Board of Trustees of the City of Glendale on the 14th day of February, 1918, passed an ordinance designated as "Ordinance No. 323" of said city containing the matters prescribed by said act and declaring the intention of the Board of Trustees to call an election in that part of the City of Glendale contained within the boundaries of said proposed municipal improvement district to be known as "Municipal Improvement District No. 1 of the City of Glendale," for the purpose of submitting to the qualified electors of said district the proposition of authorizing the issuance and sale of bonds of such district in the manner provided for in said Act, to meet the cost of said proposed improvement; and said ordinance was approved and adopted by the Board of Trustees of said City on the 14th day of February, 1918, and was thereafter duly published as provided by law; and

Whereas, no protests had been filed with the said City Clerk on the 28th day of February, 1918, which last named day was the time set in and by said Ordinance No. 323 for the hearing of protest; and

Whereas, no protests were filed or offered, and thereupon the Board of Trustees of said City of Glendale acquired, and now has jurisdiction to proceed further in accordance with the provision of said act;

Now, Therefore, the Board of Trustees of the City of Glendale do resolve as follows, to-wit:

SECTION 1. That a special election be, and the same is, hereby called to be held on the 19th day of March, 1918, within proposed Municipal Improvement District No. 1 of the City of Glendale, the exterior boundaries of which district are contained in said ordinance of intention and hereinafter described, for the purpose of submitting to the qualified electors in said district the proposition of incurring a debt for the issuance of bonds of such district for the purposes set forth in said ordinance of intention and hereinafter stated: The exterior boundaries of said district being particularly described as follows, to-wit:

Beginning at the northwest corner of Lot 45 of Watts' Subdivision of a part of the Rancho San Rafael, as per map recorded in Book 5, pages 200-201 of Miscellaneous Records of Los Angeles County, California, said corner being situated upon the south line of that certain 97.2 acre tract of land allotted to Julio Verdugo, as shown on the map filed in District Court case No. 1621 of aforesaid Los Angeles County; thence westerly along the south line of said 97.20 acre tract of land to the southwest corner thereof; thence northerly along the westerly line of said 97.20 acre tract of land to the southeast corner of Lot 1 of the "Subdivision of Lot 34 of Watts' Subdivision of a part of the Rancho San Rafael," as per map recorded in Book 36, Page 4, Miscellaneous Records of aforesaid Los Angeles County; thence westerly along the southerly lines of Lots 1, 2, and 3 of said subdivision, to the southwest corner of said Lot 3; thence southerly along the westerly line of said Subdivision to a point midway between the center lines of Ninth Street and Acacia Avenue (formerly Tenth Street); thence westerly along a line midway between the center lines of said Ninth Street and Acacia Avenue to the easterly line of "E. S. Butterfield's Subdivision," as per map of same recorded in Book 18, page 29, Miscellaneous Records of aforesaid Los Angeles County; thence along the easterly line of last mentioned Subdivision to the southerly line of Lot 9 of said "E. S. Butterfield's Subdivision," produced easterly; thence along the production of, and along the southerly line of said Lot 9, and along the southerly line of Lot 10 of said Subdivision and its production westerly, to the westerly line of Glendale Avenue; thence along the westerly line of Glendale Avenue to a point midway between the north and south lines of Lot 30 of "Watts' Subdivision of a part of the Rancho San Rafael as aforereferred to; thence westerly along a line drawn midway between the north and south lines of Lots 30 and 29 of said Watts' Subdivision, and the production westerly of said line, to the center line of Central Avenue; thence northerly along said center line of Central Avenue to its intersection with the northerly line of the aforementioned Watts' Subdivision; thence westerly along said north line of Watts' Subdivision to the southwest corner of Lot 20 of J. W. Imler's Replat, as per map recorded in Book 10, page 35 of Maps, records of Los Angeles County; thence westerly to the southeast corner of Lot 47 of Riverdale Heights, as per map recorded in Book 4, page 1 of Maps, records of Los Angeles County; thence westerly along the south line of said Lot 47 to the southwest corner thereof; thence northerly along the west line of said lot to the northwest corner thereof; thence westerly along the north line of Lots 49, 51, 53 and 55 of said Riverdale Heights, and the westerly prolongation thereof to its intersection with the easterly boundary line of the territory annexed to the City of Los Angeles by the election of February 18, 1910; thence southeasterly along said easterly boundary line of the City of Los Angeles, following the various courses and curves thereof to a point where said easterly boundary line is intersected by the southwesterly prolongation of the southeasterly line of Block F of the Santa Eulalia Tract, Sheet No. 1, as per map recorded in Book 16, pages 78 and 79 of Maps, Records of Los Angeles County; thence northeasterly along said southwesterly prolonged line to the most southerly corner of said Block F; thence northeasterly along the southeasterly line of said Block F and the northeasterly prolongation of said southeasterly line of said Block F of the Santa Eulalia Tract, Sheet No. 1, to a point situated 183 feet northeasterly, measured at right angles from the center line of San Fernando Road as said center line is shown on County Surveyor's Map No. 7268 of said road on file in the office of the County Surveyor of said Los Angeles County; thence northwesterly parallel with said center line of San Fernando Road to the easterly line of Glendale Avenue as shown on Santa Eulalia Tract, Sheet No. 1, aforesaid; thence north 15 degrees, 33 minutes, 15 seconds east parallel with the east line of Lot D of said Tract and distant therefrom 66 feet to the southerly line of Watts' Subdivision of a part of the Rancho San Rafael as aforementioned; thence easterly along said southerly line of Watts' Subdivision to the southwest corner of the aforementioned Lot 45 of Watts' Subdivision; thence northerly following the various courses of the westerly boundary of said Lot 45 to the northwest corner thereof, being the point of beginning. The same being all that territory included within the city boundary lines of the former City of Tropico as incorporated on March 7, 1911;

SECTION 2. The objects and purposes for which said proposed indebtedness is to be incurred are the acquisition and construction of works for distributing and supplying water to the inhabitants of such district, including the acquisition of lands, waters, water rights, easements, rights of way, structures, pipes, pipe lines, apparatus and other property, and the construction of mains, conduits and other works necessary for such purposes.

SECTION 3. That the estimated cost of said proposed improvement is $55,500.00; that the amount of the principal of indebtedness proposed to be incurred is the sum of $55,500.00, and the rate of interest to be paid on said indebtedness shall be five and one-half (5½%) percentum per annum, payable semi-annually.

SECTION 4. The polls of said election shall be opened at 6 o'clock, A. M., of the day of the election and shall be kept open until 7 o'clock P. M., when the polls shall be closed, except as provided by Sec. 1164 of the Political Code of the State of California.

SECTION 5. That there shall be printed on the ballots to be used at said special election, in addition to the other matters required by law, the following proposition to be voted on, to-wit:

"Shall that certain proposed Municipal Improvement District, known as Municipal Improvement District No. 1 of the City of Glendale, incur a bonded debt of $55,500.00 for the purpose of acquiring and constructing works for distributing and supplying water to the inhabitants of such district, including the acquisition of lands, waters, water rights, rights of way, easements, structures, pipes, pipe lines, apparatus and other property, and the construction of mains, conduits and other works necessary for such purposes?"

That opposite the above proposition to be voted on, and to the right thereof, the words "Yes" and "No" shall be printed on separate lines within voting squares.

SECTION 6. For the purpose of holding and conducting said special election, said district as above described is hereby subdivided into two voting precincts denominated as Special Election Precinct Nos. 1 and 2, inclusive, with the following boundaries and places at which the polls will be opened in said precincts, respectively, are hereby established and designated, and the following named election officers therefor are hereby appointed, to-wit:

Special Election Precinct No. 1

FRESH FROM VERDUN

A party of Pasadena people who had not learned of the postponement of the entertainment which was to have been given Thursday evening at the High School as a benefit for the British Ambulance Society, visited Glendale and were of course disappointed to find the house dark. One of the party, C. F. Paxton, who has been in the American Ambulance Service in Verdun, called upon Miss Ina Whitaker Friday morning and assured her he would be on hand for the entertainment next Thursday evening. He was in uniform and according to Miss Whitaker is a fine, upstanding soldier who would be a credit to any service. He is tremendously interested and was removed from the front because he is a trifle over the age limit which the army has fixed for this service. It is a great disappointment to him and he is hoping to persuade the British Ambulance Society to accept him so he can get back, as he feels that the trifling discrepancy in age should not bar him from a service he feels perfectly competent to fill. The committee in charge of the entertainment hopes to persuade him to tell something of his experiences on the French front, though he is modest and does not want to talk.
